A. Nature of exhibit shown or demonstration conducted:

None.

B. Identification of the claims discussed:

Claims 1, 5, 9, 15.

C. Identification of specific prior art discussed:

Chen et al. (6,647,173).

D. Identification of principal proposed amendments of a substantive nature discussed:

To further distinguish the independent claims from Figs. 5-6 of Chen et al., in which mirrors form part of the switching prism, the pending independent claims will be amended to explicitly specify that the recited mirror(s) is/are separated from the switching prism.

E. The general thrust of the principal arguments of the applicant and the examiner:

Examiner Kianni and Andrei Popovici agreed on making the proposed amendment if the amendment places the application in condition for allowance.

F. General indication of any other pertinent matters discussed:

None.

G. General results or outcome of the interview unless already described in the Interview Summary form completed by the examiner:

Examiner Kianni indicated that the claims as amended should be allowable over the prior art of record, assuming no closer additional prior art is retrieved in a supplemental search.
